An E0675 is a PCD... ***Sleeves E0667-E0669 are used with E0675.***

Pursuant to Rule 134.203(b) the carrier's denial is supported as the requestor submitted code E0673. No additional payment is recommended.

The carrier denied the submitted codes E0675 as, 197 – “Payment adjusted for absence of precert/preauth with a not “Per rule 134.600(p)(12) –treatments and services that exceed or are not addressed by the Commissioner's adopted treatment guidelines or protocols and are not contained in a treatment plan preauthorized by the carrier.”

28 Texas Administrative Code §134.600(p)(12) states in pertinent part, “Non-emergency health care requiring preauthorization includes: (12) treatments and services that exceed or are not addressed by the commissioner's adopted treatment guidelines or protocols and are not contained in a treatment plan preauthorized by the insurance carrier.”

28 Texas Labor Code §137.100 (a) states in pertinent part, “Health care providers shall provide treatment in accordance with the current edition of the Official Disability Guidelines - Treatment in Workers' Comp, excluding the return to work pathways, (ODG), published by Work Loss Data Institute (Division treatment guidelines), unless the treatment(s) or service(s) require(s) preauthorization in accordance with §134.600 of this title (relating to Preauthorization, Concurrent Review and Voluntary Certification of Health Care) or §137.300 of this title (relating to Required Treatment Planning).”

- Lymphadema pump (pneumatic compression device) “Recommend home-use as an option for the treatment of lymphedema after a four-week trial of conservative medical management that includes exercise, elevation and compression garment”

Review of the submitted medical bill finds the following;

- a. Place of service submitted was "22" or Outpatient hospital
- b. Submitted diagnosis code was M75.111 – "INCMPL ROT CUFF TEAR/RUPT RT SHLDR".

The requirements of Rule 134.600(p)(12) were not met as the reported diagnosis and place of service are not addressed in the ODG guidelines thus requiring prior authorization. No additional payment can be recommended.

28 Texas Administrative Code §133.20 (c) states,

- Authorization received is for "Cryo therapy unit rental x 7 days"

The carrier denied this service in dispute as 16 – "Svc lacks info needed or has billing error(s). As the submitted code description does not match the description of the authorized services, the carrier's denial is supported.
